A totally unforgettable experience awaits you on the frozen fjords of Kirkenes.

This is your chance to catch, learn how to cook, and most importantly EAT this mysterious creature.

The Arctic King Crab is one of the most sort after meals in top restaurants, and yet here, you get to eat the best and the freshest, pulled from the fjord in front of your eyes. You all take part in helping to saw the hole in the ice and bring up the catch. You will see how the crab is prepared by your master guide, and you will be taken by snowmobile sledge (an experience in itself) to a beautiful farmhouse by the lake. Please note: This tour is done by snowmobile (fisherman drives snowmobile and guests are in sledge behind the snowmobile), and not by divers or in a boat.

The excursion includes:

Guided tour in Finnish/English/German, bus ride, breakfast, The King Crab Safari, Thermal overalls, socks, boots and balaclava headwear for the safari included. Sautéed reindeer soup, bread, butter, dessert and coffee at the Sevettijärvi.

Aurora borealis:

If the weather is good in the evening, we can make a stop few minutes for watching Auroraborealis on the route Kirkenes-Saariselkä.
